To Our Friends and Customers:

THE LIBIS GARDENS

ESTABLISHED 1899

For the season of 1945 we have a good supply of BULBS and PLANTS, both perennial and annual, as follows:

GLADIOLUS—A full range of colors. Many choice varieties.

DAFODILS—more than sixty varieties in the newer shades and colors; also the standard varieties.

LILIES—Centifolium Hybrid, Formosanum, Regal, "Sunset," Shuksan, Umbellatum.

TULIPS—Darwin tulips of the prominent standard varieties.

CHRYSANTHEMUMS—A full line of the latest developed varieties in various colors.

COLUMBINES—long spurred, in shades of pink, rose, blue, white and yellow.

DAISIES—wonderful, lacinated, double and plain petalled.

DELPHINIUMS—the very popular all-double "Giant Pacific" and English strains.

HEMEROCALLIS or Day Lily—light yellow to deep orange, blooming from mid-May to late September. Also the

You are welcome here for consultation and to see the growing plants and flowers in bloom. That is a good way to select varieties for your own planting, especially flowers produced from bulbs, as daffodils, lilies, etc.

We thank you for your generous response in the past, and invite you as usual to The Libis Gardens, for Bulbs, Plants and Flowers, which it is our aim to supply with products of highest quality.

new red, pink, purple, maroon color classes. Many varieties from which to choose.

IRISES—bearded, Siberian, Kaempferi and dwarf. Each year adding the new, dropping the less attractive.

PEONIES—a large list including those of the highest ratings; red, white and various shades of pink.

PHLOXES—white, pink, rose, lavender and red.

PYRETHRUM—pink, rose and deep red.

TRITOMAS—the new hardy class, mostly in the lighter shades, early to late blooming.

DICENTRA OR BLEEDING HEART, GYPSOPHILA, HELIOPSIS, LIATRIS, MONARDA, MYRTLE, PACHYSANDRA, THALICTRUM, SPIRAEA, SEDUMS, etc.

ROSES—top quality, two year Northern Ohio field-grown. Annual FLOWER and VEGETABLE plants, May and June.
